WALKING WITH MY MOTHER'S SHADOW

Team ACF  Events, Exhibitions  0

USA-based, Pakistani artist Anila Quayyum Agha opens her first major solo show in New York titled 'Walking with My Mother's Shadow' at Aicon Gallery. Breathtaking intricate installations in materials such as steel, cut with delicate patterns, or embroidery and beads on white, black and brown paper, reflect and refract light into the gallery space. Through the use of a variety of media, from large sculptural installations to embroidered drawings, she explores the deeply entwined political relationships between gender, culture, religion, labor and social codes. Her art is deeply influenced by the simultaneous sense of alienation and transience that informs the migrant experience.
