LONDON. As Sotheby's prepares
to auction 287 new works by
Damien Hirst on 15 and 16
September, we can reveal that
the artist's London gallery,
White Cube is sitting on unsold
sculptures and paintings by the
British artist worth in excess
of £100m.

The Aicon Gallery, which specialises in Indian art, is relocating its New York gallery to the Lower East Side at 33-35 Great Jones Street. Opening on 18 September, with **Priyanka Mathew** staying on as director, the new location designed by Nobu Arai will encompass 8,000 sq. ft over two floors.
